Universal Bottom mount Refrigerator

FC20UXDNE
Stainless Steel
Freestanding

Free-standing refrigerator with freezer compartment in the lower compartment. The combined configuration offers practicality and efficiency in a compact space to meet all daily needs

Features

Adjustable space for every need - Adjustable shelves and door bins adapt easily to any requirement. They can easily be moved up or down, allowing a simple, quick, and functional organization of food.

Reversible door - Reversible door ensures flexible installation and space optimisation

Deli drawer - The low temperature of the deli drawer is specially suitable to store frozen food that needs to thaw slowly, such as meat or fish, keeping them in optimal condition

External display - External display for simple and intuitive control with quick access to information
