

Universal Bottom mount Refrigerator

CB3620UWI
Built-in

Built-in refrigerator with freezer compartment in the lower compartment. The combined configuration offers practicality and efficiency in a compact space to meet all daily needs

Features

Automatic ice maker with direct water connection - Constant ice availability thanks to the automatic ice maker, directly connected to the water supply for effortless and uninterrupted production

Water dispenser - The water dispenser always offers fresh water in a practical way and without the need for plastic bottles

Inverter compressor - Inverter compressor reduces noise and vibration levels for a quiet and comfortable kitchen environment

No-Frost system - The No Frost system prevents the formation of ice and contributes to better preservation of food in the refrigerator
