

Range 30"

CPF30UGMBL Black Dual fuel

Compact- design range with electric oven and gas cooktop: efficient and responsive, the visible heat source allows total control and choice of the right intensity.

Features

Gas hob - Gas provides permanent control of the heat source and the temperature change is immediate

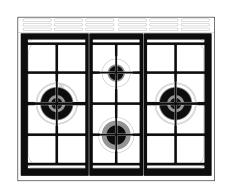

Touch control - Easy and intuitive timer setting with a single touch

Storage compartment - More space thanks to the lower compartment, ideal for storing accessories or cooking utensils

True-convection - The best cooking performances guaranteed by ventilated circular flow.

Tangential cooling - New cooling system with tangential fan and airflow from the door to the splashback

Soft close - The door is equipped with a specific system for silent closing
