

CPF36UGMYW

Features

Gas hob - Gas provides permanent control of the heat source and the temperature change is immediate

Vapor Clean - By inserting water into a recess at the bottom of the cavity, steam is generated, which softens the residue and facilitates its removal

Touch control - Easy and intuitive timer setting with a single touch

Push-pull storage compartment - More space thanks to the lower push-pull compartment, ideal for storing accessories or cooking utensils

True-convection - The best cooking performances guaranteed by ventilated circular flow.

Tangential cooling - New cooling system with tangential fan and airflow from the door to the splashback

Soft close - The door is equipped with a specific system for silent closing
