Spacious and versatile cooker perfect for preparing several dishes at once, equipped with electric ovens and a gas hob: efficient and responsive, the visible heat source allows total control and the choice of the right intensity.

## Features

- Gas hob** - Gas provides permanent control of the heat source and the temperature change is immediate
- Ever Clean Enamel** - Easy oven cleaning thanks to special pyrolytic enamel
- Touch control** - Easy and intuitive timer setting with a single touch
- Storage compartment** - More space thanks to the lower compartment, ideal for storing accessories or cooking utensils
- True-convection** - The best cooking performances guaranteed by ventilated circular flow.
- Tangential cooling** - New cooling system with tangential fan and airflow from the door to the splashback
- Soft close** - The door is equipped with a specific system for silent closing
