

Universal Single door Refrigerator

RSDU30RX
Stainless steel
Built-in

Semi-professional refrigerator of premium quality and large dimensions for the home environment. The most advanced technologies are combined with Smeg's elegant design to guarantee maximum refrigeration performance together with intelligent functions

Features

Inverter compressor - Inverter compressor reduces noise and vibration levels for a quiet and comfortable kitchen environment

No-Frost system - The No Frost system prevents the formation of ice and contributes to better preservation of food in the refrigerator

Fruit and vegetable compartment - Specially designed compartment, perfectly crafted to keep fruit and vegetable fresh

Plastic multiflow system - The Multiflow system ensures even distribution of cold air inside the refrigerator
