Compact-design cooker with electric oven and induction or ceramic glass hob: the perfect mix of style, quality and technology thanks to homogeneous and instantaneous heat, maximum safety and attention to consumption.

Features

- Induction hob** - Induction offers fast cooking and precise temperature control
- Vapor Clean** - By inserting water into a recess at the bottom of the cavity, steam is generated, which softens the residue and facilitates its removal
- Touch control** - Easy and intuitive timer setting with a single touch
- True-convection** - The best cooking performances guaranteed by ventilated circular flow.
- Tangential cooling** - New cooling system with tangential fan and airflow from the door to the splashback
- Soft close** - The door is equipped with a specific system for silent closing
