Compact- design cooker with gas oven and gas hob: efficient and responsive, the visible heat source allows total control and choice of the right intensity.

Features

- Gas hob** - Gas provides permanent control of the heat source and the temperature change is immediate
- Touch control** - Easy and intuitive timer setting with a single touch
- Tangential cooling** - New cooling system with tangential fan and airflow from the door to the splashback
- Soft close** - The door is equipped with a specific system for silent closing
