Features

Induction hob - Induction offers fast cooking and precise temperature control

Vapor Clean - By inserting water into a recess at the bottom of the cavity, steam is generated, which softens the residue and facilitates its removal

Touch control - Easy and intuitive timer setting with a single touch

True-convection - The best cooking performances guaranteed by ventilated circular flow.

Tangential cooling - New cooling system with tangential fan and airflow from the door to the splashback

Soft close - The door is equipped with a specific system for silent closing
