

# **C875TNE**

Product Family Refrigerator
Installation Built-in
Category Bottom Mount

Built-in niche 200
Reference width 70 - 80
Reference height 160 - 200
Sistema Total No - Frost Yes

Cooling type Total No Frost
Defrost Automatic
Hinge type Sliding
Hinge position Right
Reversible door Yes

**EAN code** 8017709321178

### **Aesthetics**

Display 7 segments
Display porition Interno (sul Top)

## Refrigerator compartment features

No. of adjustable 3 Bottle shelf Yes shelves Type of Glass

Number of fruit and 1 crisper/vegetable vegetables drawers drawers cover

Type of adjustable Glass Life Plus zone-0°C Yes

shelvesInternal light in fridgeYesType of crisper/vegetableStandard crisper/vegetableType of internal light (fridge)LED

drawers cover
Crisper Cover
Yes

## **Refrigerator Inner Door**

Number of adjustable 5
door shelves

Bottle shelves with wire Yes
support

No. of bottle shelves 1

## Other Refrigerator features

Accessories Egg tray Natural Plus Blu Light Yes Yes MultiFlow

Fan Yes **Antibacterial odour** Yes

filter

## Freezer compartment features

**Number of drawers** 3 No. of shelves

2

### Other Freezer features

Accessories 1 ice box Fast freezing Yes

Ice tray shelf Yes

## Other technical features

## Symbols glossary

The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.

Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.

Fast freezing: The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.

Power saving mode: The power saving mode allows you to disable the refrigerator and keep the freezer working.

LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.

Life Plus 0°C: The temperature in the Lifeplus compartments is kept at 0°C, which preserves fresh meat and fish longer.

Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption.

Multiflow Cooling System: the Multiflow ventilation system allows an even distribution of cool air around the fridge cabinet.

Natural Plus Blu Light: This unique Natural Plus Blu Light system works with nature to increase the storage time of fruit and vegetables.

Built-in niche

Energy efficiency class E

## Benefit (TT)

#### No-Frost system

The No Frost system prevents the formation of ice and contributes to better preservation of food in the refrigerator

#### Natural Plus Blue Light

The Natural plus Blue light system extends the shelf life of fruit and vegetables while preserving their organoleptic properties

#### Plastic multiflow system

The Multiflow system ensures even distribution of cold air inside the refrigerator

#### Fan

The fan contributes to an even distribution of air inside the refrigerator

#### Refrigerant gas R600a

Environmentally friendly R600a refrigerant gas contributes to rapid cooling with lower energy consumption

#### Life Plus 0°

Temperature-controlled Life Plus compartment for optimal storage of specific food categories

#### Refrigerator Internal lighting

Interior lighting for perfect visibility of shelves in the refrigerator compartment

#### Fruit and vegetable drawer

The fruit and vegetable drawer ensures the best storage conditions for fresh food, avoiding any contamination

#### Inverter compressor

Inverter compressor reduces noise and vibration levels for a quiet and comfortable kitchen environment

Inverter compressor technology offers significant advantages for refrigeration systems, improving both performance and efficiency. Better temperature control ensures a more stable and constant indoor environment, preserving the freshness of food. This technology also results in reduced energy consumption, as the compressor adjusts its speed according to cooling needs.

#### Internal display

Internal display for targeted temperature control and a clean, minimalist design
