

CVI129G

Family Wine Cooler
Installation Built-in
Built-In Niche 60 cm
Defrost Automatic
Cooling type Fan assisted
Hinge type Variable hinge

Reversible door Yes

Wine cellar compartment features

Number of fixed shelves1Number of removable shelves2No. of lights2Shelves materialWoodRemovable shelves on telescopic guide railsYesType of internal lightLed

Air filter Activated charcoal filter

Symbols glossary

Energy efficiency class A

The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.

LCD display: to optimize performance and simplify the use of the appliance.

Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.

LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.

Touch controls: Easy to use touch controls allow the appliance to be programmed at the touch of a button.

Garage Energy efficiency class G
