

# CVI329X3

|                 |                |
|-----------------|----------------|
| Product Family  | Wine Cooler    |
| Installation    | Built-in       |
| Built-In Niche  | 60 cm          |
| Defrost         | Automatic      |
| Cooling type    | Fan assisted   |
| Hinge type      | Variable hinge |
| Hinge position  | Right          |
| Reversible door | Yes            |

## Wine cooler compartment features

|   |                           |
|---|---------------------------|
| Number of fixed shelves                     | 1                         |
| Number of removable shelves                 | 2                         |
| No. of lights                               | 2                         |
| Shelves material                            | Wood                      |
| Removable shelves on telescopic guide rails | Yes                       |
| Type of internal light                      | LED                       |
| Air filter                                  | Activated charcoal filter |

## Programs / Functions

|                   |                                      |                    |                     |
|-------------------|--------------------------------------|--------------------|---------------------|
| Control setting   | Touch control                        | Control lock       | Yes                 |
| Controls          | Internal, in the compartment         | Lighting forced ON | In a maximum period |
| Display           | LED                                  | Fan forced ON      | Yes                 |
| Functions display | Temperature alarm, Temperature value | Temperature Alarm  | Yes                 |
| Power on lamp     | Yes                                  | Door open alarm    | Yes                 |

## Technical Features

|                              |   |                       |                          |
|------------------------------|---|-----------------------|--------------------------|
| Adjustable temperature zones | 2 | Number of compressors | 1                        |
|                              |   | Compressor type       | Low vibration compressor |
|                              |   | Refrigerant gas type  | R600a                    |

## Symbols glossary

|  |  |   |   |
|--|--|---|---|
|  | The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.            |  | A: Product drying performance, measured from A+++ to D / G depending on the product family                            |
|  | Energy efficiency class G  |  | LED display: to show programmes, functions and options selected and the time to the end of the cycle.                 |
|  | Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge. |  | LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance. |
|  | Touch controls: Easy to use touch controls allow the appliance to be programmed at the touch of a button.                                  |   |   |
