

CVI329X3

Product Family Wine Cooler
Installation Built-in
Built-In Niche 60 cm
Defrost Automatic
Cooling type Fan assisted
Hinge type Variable hinge

Hinge position Right Reversible door Yes

Wine cooler compartment features

Number of fixed shelves1Number of removable shelves2No. of lights2Shelves materialWoodRemovable shelves on telescopic guide railsYes

Air filter Activated charcoal filter

Programs / Functions

Symbols glossary

A: Product drying performance, measured from A+++ to D / G depending on the product family

The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.

LED display: to show programmes, functions and options selected and the time to the end of the cycle.

Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.

LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.

Touch controls: Easy to use touch controls allow the appliance to be programmed at the touch of a button.

6 Energy efficiency class G
