

# **CVI629NR3**

Family Wine Cooler
Installation Built-in
Built-In Niche 60 cm
Defrost Automatic
Cooling type Fan assisted
Hinge type Variable hinge

Hinge position Right Reversible door Yes

### Wine cellar compartment features

Number of fixed shelves1Number of removable shelves2No. of lights2Shelves materialWoodRemovable shelves on telescopic guide railsYes

Air filter Activated charcoal filter

## Symbols glossary

Energy efficiency class A

The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.

LED display: to show programmes, functions and options selected and the time to the end of the cycle.

Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.

LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.

Touch controls: Easy to use touch controls allow the appliance to be programmed at the touch of a button.

Energy efficiency class G
