

CVIU318LX

|                |              |
|----------------|--------------|
| Product Family | Wine cooler  |
| Installation   | Built-in     |
| Built-In Niche | 45 cm        |
| Defrost        | Automatic    |
| Cooling type   | Fan-assisted |
| Hinge type     | Standard     |
| Hinge position | Left         |

Wine compartment features

|   |                           |
|---|---------------------------|
| Number of fixed shelves                     | 1                         |
| Number of removable shelves                 | 2                         |
| Shelves material                            | Wood                      |
| Removable shelves on telescopic guide rails | Yes                       |
| Type of internal light                      | LED                       |
| Air filter                                  | Activated charcoal filter |

Functions

|                    |  |                     |              |
|--------------------|--|---------------------|--------------|
| Control setting    | Touch controls                               | Child lock          | Yes          |
| Controls           | External, in the door                        | Forced light on     | Time-limited |
| Display type       | LED  | Continuous fan mode | Yes          |
| Display functions  | Temperature Alarm,<br>Temperature indication | Temperature Alarm   | Yes          |
| Power-on indicator | Yes  | Door open alarm     | Yes          |

Technical Features

|                              |   |                            |                   |
|------------------------------|---|----------------------------|-------------------|
| Adjustable temperature zones | 1 | Integrated heating element | Yes               |
| Independent cooling systems  | 1 | Number of compressors      | 1                 |
| Number of door glasses       | 2 | Compressor type            | Reduced vibration |
|                              |   | Refrigerant gas type       | R600a             |
|                              |   | Refrigerant quantity       | 22.6 oz           |

|                          |            |                  |       |
|--------------------------|------------|------------------|-------|
| Temperature range        | 41°-68°F   | Metal back panel | Metal |
| Temperature setting type | Electronic |                  |       |
| Anti-UV door glass       | Yes        |                  |       |

## Performance / Energy Label NEW

|             |                 |
|-------------|-----------------|
| Noise level | 42 dB(A) re 1pW |
|-------------|-----------------|

## Electrical Connection

|                              |                  |                   |           |
|------------------------------|------------------|-------------------|-----------|
| Plug                         | (A) USA & Mexico | Voltage (V)       | 120 V     |
| Electrical connection rating | 40 W             | Frequency (Hz)    | 50/60 Hz  |
| Current                      | 1,95 A           | Power cord length | 59 1/16 " |

## Symbols glossary (TT)

---

The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.

Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.

LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.

Touch controls: Easy to use touch controls allow the appliance to be programmed at the touch of a button.

LED display: to show programmes, functions and options selected and the time to the end of the cycle.

Fingerprint proof stainless steel: Fingerprint proof stainless steel keeps stainless steel looking as good as new.
