

# CVIU338RX1

Installation Built-in
Built-In Niche 82-87 cm
Defrost Automatic
Cooling type Fan-assisted
Hinge type Standard
Hinge position Right-hand

## Wine compartment features

Number of fixed shelves2Number of removable shelves3Shelves materialWoodRemovable shelves on telescopic guide railsYesType of internal lightLED

Air filter Activated charcoal filter

### **Functions**

Controls Touch controls
Controls Inside the cooler

Display type LED

Display functions Temperature Alarm,

## Symbols glossary

The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.

Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.

LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.

Touch controls: Easy to use touch controls allow the appliance to be programmed at the touch of a button.

LED display: to show programmes, functions and options selected and the time to the end of the cycle.

Fingerprint proof stainless steel: Fingerprint proof stainless steel keeps stainless steel looking as good as new.
