The new **ExtraGlide** guide system, available on top of the range models, makes the second basket even smoother and softer. In fact, it facilitates the extraction of the introduction, even at full load and, for the greater excursion, the insertion of crockery is also facilitated in the rear part.

Hyclean: When the HYCLEAN option is selected, the dishwasher performs a final 10 minute rinse at a high temperature of 70°C, eliminating virtually all bacteria to achieve the highest possible standards of cleanliness.
