

## FA120ES

|                 |  |
|-----------------|--|
| Installation    | Free Standing                                  |
| Category        | Under counter                                  |
| Cooling type    | Static   |
| Defrost         | Automatic for refrigerator, manual for freezer |
| Hinge type      | Standard                                       |
| Hinge position  | Right  |
| Reversible door | Yes  |
| EAN code        | 8017709293192                                  |

## Aesthetics

|                                     |             |  |                   |
|-------------------------------------|-------------|--|-------------------|
| Aesthetic                           | Universal   | Side colour                            | Silver            |
| Colour                              | Silver      | Logotipo                               | Logotipo aplicado |
| Material                            | Metal sheet | Cor do perfil das prateleiras da porta | White             |
| Handle kit to be ordered separately | No          | Cor do perfil das gavetas              | White             |
| Handle                              | External    | Cor do perfil da prateleira de vidro   | White             |
| Handle type                         | Fixed       | Display                                | No                |
| Handle colour                       | Silver      | Dispenser                              | No                |
| Logo colour                         | Silver      | HomeBar                                | No                |
| Side material                       | Steel       | Alternative colours available          | White             |

## Refrigerator compartment features

|   |          |   |       |
|---|----------|---|-------|
| No. of adjustable shelves               | 2        | Type of crisper/vegetable drawers cover | Glass |
| Number of fruit and vegetables drawers  | 1        | Life Plus zone-0°C                      | No    |
| Type of adjustable shelves              | Glass    | Compartimento baixa temperatura         | No    |
| Type of crisper/vegetable drawers cover | Standard | Internal light in fridge                | Yes   |
| Crisper Cover                           | Yes      | Type of internal light (fridge)         | LED   |
| Bottle shelf                            | No       |   |       |

## Refrigerator Inner Door

|  |    |                                  |    |
|--|----|----------------------------------|----|
| No. of door shelves with transparent cover | 1  | No. of bottle shelves            | 1  |
| Number of adjustable door shelves          | 1  | Bottle shelves with wire support | No |
| Adjustable door shelves with wire support  | No |                                  |    |

## Other Refrigerator features

|                                  |    |             |    |
|----------------------------------|----|-------------|----|
| Natural Plus Blu Light MultiFlow | No | Fan Ionizer | No |
|----------------------------------|----|-------------|----|

## Freezer compartment features

|                              |     |                                  |    |
|------------------------------|-----|----------------------------------|----|
| Internal freezer compartment | Yes | Type of internal light (freezer) | No |
| Internal light in freezer    | No  |                                  |    |

## Other technical features

|                                 |                    |
|---------------------------------|--------------------|
| Freezer compartment accessories | Ice cube tray      |
| Ligação à rede de água          | No                 |
| Power on lamp                   | No                 |
| Temperature alarm lamp          | No                 |
| Door open alarm                 | No                 |
| Temperature Alarm               | No                 |
| Type of temperature control     | Electro-mechanical |
| No. of compressors              | 1                  |
| Refrigerant gas type            | R600a              |
| Type of compressor              | Standard           |
| Refrigerant Quantity (gr)       | 17 g               |
| Espuma expansiva de isolamento  | Ciclopentano       |

## Etiqueta de Desempenho / Energia - Reg. 2019

|  |           |   |                  |
|--|-----------|---|------------------|
|  |           |   |                  |
| Consumo de energia anual   | 137 kWh/a | Airborne acoustical noise emissions           | 36 dB(A) re 1 pW |
| Classe de eficiência energética  | E         | Autonomia de conservação sem energia elétrica | 10 h             |
| Classe de emissão de ruído acústico aerotransportado                               | C         | 4 estrelas - Capacidade de congelamento       | 2.0 Kg/24h       |
| Volume líquido total   | 114 l     | Classe climática                              | SN, T            |
|  |           | EI  | 100 %            |

Soma dos volumes do(s) 13 l  
compartimento(s)  
congelado(s)

Soma dos volumes do(s) 101 l  
compartimento(s)  
refrigerado(s) e do(s)  
compartimento(s) não  
congelado(s)

## Electrical Connection

|                              |              |                           |        |
|------------------------------|--------------|---------------------------|--------|
| Plug                         | (F;E) Schuko | Voltage (V)               | 230 V  |
| Electrical connection rating | 70 W         | Frequency (Hz)            | 50 Hz  |
| Current                      | 0,3 A        | Power supply cable length | 193 cm |

## Symbols glossary

Compartimento de congelamento de 4 estrelas para uma melhor preservação dos alimentos.

O sistema de descongelamento automático funciona descongelando automaticamente em intervalos regulares, eliminando a necessidade de descongelar completamente.

Classe de eficiência energética E.

A++: A classe de eficiência energética A++ ajuda a economizar até 20% de energia em comparação com a classe A. O desempenho máximo com consumo mínimo é garantido.

Iluminação interior LED: é uma forma mais eficiente em termos energéticos e duradoura de iluminar o interior do aparelho.

## Benefit (TT)

---

### **Refrigerant gas R600a**

Environmentally friendly R600a refrigerant gas contributes to rapid cooling with lower energy consumption

### **Climate class**

Climatic class SN-T makes the appliance suitable for working at room temperature between 10 °C and 43 °C (50 °F ~ 109 °F)

### **External handle**

The external handle ensures practicality and ease of use of the refrigerator

### **Refrigerator Internal lighting**

Interior lighting for perfect visibility of shelves in the refrigerator compartment

### **Fruit and vegetable drawer**

The fruit and vegetable drawer ensures the best storage conditions for fresh food, avoiding any contamination
