

# FAB10HRDIT5

|                    |                       |
|--------------------|-----------------------|
| Product familie    | Koelkast              |
| Installatie        | Vrijstaand            |
| Categorie          | Enkeldeurs koelkast   |
| Referentie breedte | Tot 60 cm             |
| Referentie hoogte  | Tot 100 cm            |
| Type koelen        | Statisch              |
| Ontdooien          | Automatisch ontdooien |
| Type scharnier     | Standaard             |
| Positie scharnier  | Rechts                |
| EAN-code           | 8017709297947         |

## Design

|                          |                             |                     |               |
|--------------------------|-----------------------------|---------------------|---------------|
| Design                   | 50's Style                  | Type handgreep      | Vast          |
| Kleur                    | Gedecoreerd/ Speciaal       | Kleur handgreep     | Chroom        |
| Afwerking                | Glanzend                    | Kleur logo          | Chroom        |
| Decoratie/Speciale kleur | Italiaanse vlag             | Materiaal zijwanden | Staal         |
| Design                   | Bol                         | Kleur zijkanten     | Gedecoreerd   |
| Materiaal deur           | Thermisch gevormd kunststof | Logo                | Geassembleerd |
| Handgreep                | Extern                      |                     |               |

## Uitrusting koelkast

|                            |      |                                 |     |
|----------------------------|------|---------------------------------|-----|
| Aantal verstelbare leggers | 2    | Binnenverlichting koelkast      | Ja  |
| Type verstelbare leggers   | Glas | Type binnenverlichting koelkast | LED |

## Binnendeur koelkast

|                                             |   |                       |   |
|---------------------------------------------|---|-----------------------|---|
| Aantal verstelbare binnendeurcompartimenten | 2 | Aantal flessenhouders | 1 |
|---------------------------------------------|---|-----------------------|---|

## Overige features koelkast

|             |                                 |
|-------------|---------------------------------|
| Accessoires | Bottle rack, Separatore lattine |
|-------------|---------------------------------|

## Overige technische eigenschappen

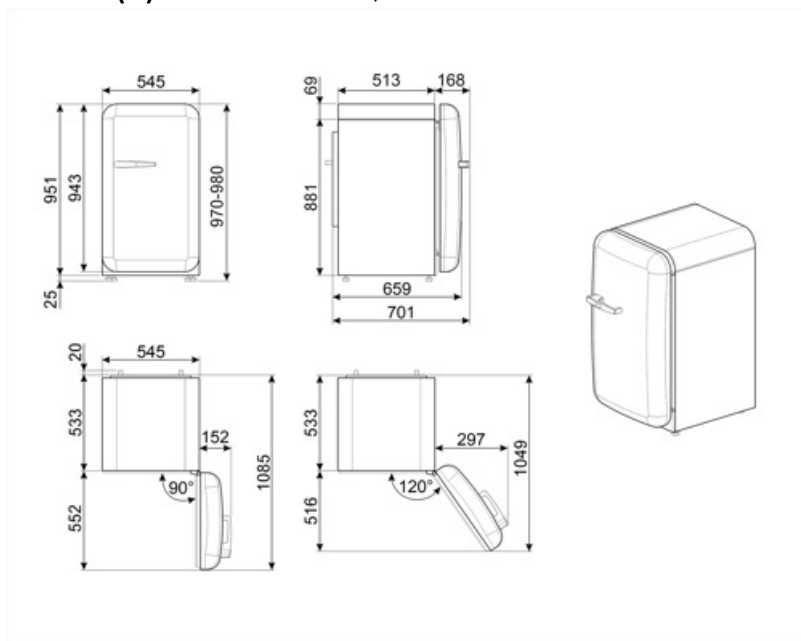

|                          |                    |
|--------------------------|--------------------|
| Type temperatuurcontrole | Elektro-mechanisch |
| Aantal compressoren      | 1                  |
| Type koelgas             | R600a              |
| Type compressor          | Standaard          |
| Hoeveelheid koelmiddel   | 28 g               |
| Schuimmiddel             | Cyclopentaan       |

## Prestaties/Energie label - Reg. 2019

|                                                                                  |             |                            |                  |

## Symbols glossary

---

LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.

The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.

Energie-efficiëntieklasse

---

## Benefit (TT)

---

### Refrigerant gas R600a

Environmentally friendly R600a refrigerant gas contributes to rapid cooling with lower energy consumption

### Climate class

Climatic class SN-T makes the appliance suitable for working at room temperature between 10 °C and 43 °C (50 °F ~ 109 °F)

### External handle

The external handle ensures practicality and ease of use of the refrigerator

### Refrigerator Internal lighting

Interior lighting for perfect visibility of shelves in the refrigerator compartment
