## Symbols glossary

 A small icon showing a square with four stars inside, representing a four-star freezing compartment.	4 stars freezing compartment for better food preservation.	 A small icon showing a snowflake with a defrosting pattern, representing an automatic defrost system.	The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.
 A small icon showing a snowflake with a fan-like pattern, representing a ventilated refrigerator compartment.	Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.	 A small icon showing a light bulb with the letters "LED" inside, representing LED interior lighting.	LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.
 A small icon showing a circular arrow with the word "inverter" written below it, representing inverter technology.	Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption.	 A small icon showing a circular arrow with a wavy line inside, representing the Multiflow Cooling System.	Multiflow Cooling System: the Multiflow ventilation system allows an even distribution of cool air around the fridge cabinet.
 A small icon showing a green arrow pointing left with the letter "C" inside, representing energy efficiency class C.	Energy efficiency class C
