

# FAB28RDSA5

|                  |  |
|------------------|--|
| Product Family   | Refrigerator                                   |
| Installation     | Free standing                                  |
| Category         | One Door                                       |
| Reference width  | Until 60 cm                                    |
| Reference height | 100 - 160 cm                                   |
| Cooling type     | Fan assisted refrigerator, static freezer      |
| Defrost          | Automatic for refrigerator, manual for freezer |
| Hinge type       | Standard                                       |
| Hinge position   | Right  |
| EAN code         | 8017709333799                                  |

## Aesthetics

|               |                |                              |                     |
|---------------|----------------|------------------------------|---------------------|
| Aesthetic     | 50's Style     | Logo colour                  | Chrome              |
| Colour        | Sea Salt Green | Side material                | Steel               |
| Design        | Rounded        | Side colour                  | Decorated / Special |
| Finishing     | Matt           | Logo                         | Applied             |
| Material      | Heat-moulded   | Door shelves profile color   | Chrome              |
| Handle        | External       | Drawers profile color        | Chrome              |
| Handle type   | Fixed          | Color of glass shelf profile | Chrome              |
| Handle colour | Chrome         |                              |                     |

## Refrigerator compartment features

|   |  |   |       |
|---|--|---|-------|
| Number of compartments                  | 2  | Crisper Cover                           | Yes   |
| Compartment types                       | Low temperature compartment, Fruit and vegetable compartment | Type of crisper/vegetable drawers cover | Glass |
| No. of adjustable shelves               | 2  | Low temperature compartment             | Yes   |
| Number of fruit and vegetables drawers  | 1  | Internal light in fridge                | Yes   |
| Type of adjustable shelves              | Glass  | Type of internal light (fridge)         | LED   |
| Type of crisper/vegetable drawers cover | On sliding rails   |   |       |

## Refrigerator Inner Door

|  |     |                                  |     |
|--|-----|----------------------------------|-----|
| No. of door shelves with transparent cover | 1   | No. of bottle shelves            | 1   |
| Number of adjustable door shelves          | 1   | Bottle shelves with wire support | Yes |
| Adjustable door shelves with wire support  | Yes |                                  |     |

## Other Refrigerator features

Humidity Control

Yes, manual

MultiFlow

Yes

Fan

Yes

## Freezer compartment features

|                              |     |
|------------------------------|-----|
| Internal freezer compartment | Yes |
|------------------------------|-----|

## Other technical features

Door open alarm

Acoustic and visual

Type of temperature control

Electronic

No. of compressors

1

Refrigerant gas type

R600a

Type of compressor

Inverter

Refrigerant Quantity (g)

32 g

Foam agent

Cyclopentane

## Performance / Energy Label - Reg. 2019

|  |           |                                     |                  |
|--|-----------|-------------------------------------|------------------|
| Annual energy consumption  | 130 kWh/a | Airborne acoustical noise emissions | 35 dB(A) re 1 pW |
| Energy efficiency class  | D         | Temperature Rise Time               | 9 h              |
| Airborne acoustical noise emission class                                       | B         | 4 star - Freezing capacity          | 2.6 kg/24h       |
| Total net volume   | 270 l     | Climate class                       | SN, N, ST, T     |
| Sum of the volumes of the frozen compartment(s)                                | 26 l      | EEI                                 | 79 %             |
| Sum of the volumes of the chill compartment(s) and the unfrozen compartment(s) | 244 l     |                                     |                  |

## Electrical Connection

|                                     |           |                                  |              |
|-------------------------------------|-----------|----------------------------------|--------------|
| <b>Electrical connection rating</b> | 90 W      | <b>Frequency (Hz)</b>            | 50/60 Hz     |
| <b>Current</b>                      | 1 A       | <b>Power supply cable length</b> | 180 cm       |
| <b>Voltage (V)</b>                  | 220-240 V | <b>Plug</b>                      | (F;E) Schuko |

## Logistic Information

|                             |         |   |         |
|-----------------------------|---------|---|---------|
| <b>Width</b>                | 601 mm  | <b>Product width with maximum doors opening</b> | 926 mm  |
| <b>Depth without handle</b> | 728 mm  | <b>Product depth with handle</b>                | 768 mm  |
| <b>Height</b>               | 1530 mm | <b>Product depth with doors open at 90°</b>     | 1197 mm |
|                             |         |   |         |

## Symbols glossary

|  |  |  |   |
|--|--|--|---|
|  A square icon containing four stars, with the word "freezing" written below it.                                 | 4 stars freezing compartment for better food preservation.   |  A square icon containing a snowflake with a small arrow pointing outwards, with the word "defrost" written below it.                                 | The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether. |
|  A green arrow pointing right with the letters "A+++" inside, with the word "energy" written below it.           | A+++: Appliances with this symbol can reduce energy consumption by a further 30% from the standard A energy rating.                                      |  A yellow arrow pointing right with the letters "D" inside, with the letters "A" and "G" above and below it, with the word "energy" written below it. | Energy efficiency class D   |
|  A square icon containing a snowflake with a fan-like shape inside, with the word "ventilated" written below it. | Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.               |  A square icon containing a glowing yellow starburst with the word "LED" inside, with the word "lighting" written below it.                           | LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.           |
|  A square icon containing a circular arrow with the word "inverter" written below it.                            | Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption. |  A square icon containing a circular arrow with the word "multiflow" written below it.  | Multiflow Cooling System: the Multiflow ventilation system allows an even distribution of cool air around the fridge cabinet.   |
