## Symbols glossary

4 stars freezing compartment for better food preservation.

The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.

Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption.

A+++: Appliances with this symbol can reduce energy consumption by a further 30% from the standard A energy rating.

LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.
