Symbols glossary

4 stars freezing compartment for better food preservation.

The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.

A+++: Appliances with this symbol can reduce energy consumption by a further 30% from the standard A energy rating.

LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.

Inverter technology: The evolution of Smeg's driers towards more intelligent and environmentally sustainable models has led to the choice of using Inverter technology with heat pumps, which reduces significantly energy consumption.
