

# FAB30LRD5UK

|                 |   |
|-----------------|---|
| Product Family  | Refrigerator                              |
| Installation    | Free standing                             |
| Category        | Top Mount                                 |
| Reference width | Until 60 cm                               |
| Cooling type    | Fan assisted refrigerator, static freezer |
| Defrost         | Manual                                    |
| Hinge type      | Standard                                  |
| Hinge position  | Left                                      |
| EAN code        | 8017709298395                             |

## Aesthetics

|               |              |                               |   |
|---------------|--------------|-------------------------------|---|
| Aesthetic     | 50's Style   | Logo colour                   | Chrome  |
| Colour        | Red          | Side material                 | Steel   |
| Design        | Rounded      | Side colour                   | Red   |
| Finishing     | Glossy       | Logo                          | Applied   |
| Material      | Heat-moulded | Door shelves profile color    | Chrome  |
| Handle        | External     | Drawers profile color         | Chrome  |
| Handle type   | Fixed        | Color of glass shelf profile  | Chrome  |
| Handle colour | Chrome       | Alternative colours available | Orange, Pastel blue, White, Blue, Black, Cream, Pink, Red, Silver, Pastel green, Lime green |

## Refrigerator compartment features

|  |  |   |       |
|--|--|---|-------|
| Number of compartments                 | 2  | Crisper Cover                           | Yes   |
| Compartment types                      | Low temperature compartment, Fruit and vegetable compartment | Type of crisper/vegetable drawers cover | Glass |
| No. of adjustable shelves              | 2  | Low temperature compartment             | Yes   |
| Number of fruit and vegetables drawers | 1  | Internal light in fridge                | Yes   |
| Type of adjustable shelves             | Glass  | Type of internal light (fridge)         | LED   |

## Symbols glossary

---

4 stars freezing compartment for better food preservation.

Energy efficiency class D

LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.

Multiflow Cooling System: the Multiflow ventilation system allows an even distribution of cool air around the fridge cabinet.

A+++: Appliances with this symbol can reduce energy consumption by a further 30% from the standard A energy rating.

Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.

Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption.
