|                  |                                           |
|------------------|-------------------------------------------|
| Product Family   | Refrigerator                              |
| Installation     | Free standing                             |
| Category         | Top Mount                                 |
| Reference width  | Until 60 cm                               |
| Reference height | 160 - 200 cm                              |
| Cooling type     | Fan assisted refrigerator, static freezer |
| Defrost          | Manual                                    |
| Hinge type       | Standard                                  |
| Hinge position   | Right                                     |
| EAN code         | 8017709358389                             |

## Symbols glossary

4 stars freezing compartment for better food preservation.

Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.

Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption.

Energy efficiency class C

A+++: Appliances with this symbol can reduce energy consumption by a further 30% from the standard A energy rating.

LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.

Multiflow Cooling System: the Multiflow ventilation system allows an even distribution of cool air around the fridge cabinet.
