Electronic

No. of compressors

1

Refrigerant gas type

R600a

|                           |              |
|---------------------------|--------------|
| Type of compressor        | Inverter     |
| Refrigerant Quantity (gr) | 60 g         |
| Foam agent                | Cyclopentane |

## Performance / Energy Label - Reg. 2019

|  |           |                                     |                  |
|--|-----------|-------------------------------------|------------------|
|  |           |                                     |                  |
| Annual energy consumption  | 204 kWh/a | Airborne acoustical noise emissions | 37 dB(A) re 1 pW |
| Energy efficiency class  | D         | Temperature Rise Time               | 40 h             |
| Airborne acoustical noise emission class   | C         | 4 star - Freezing capacity          | 6 kg/24h         |
| Total net volume   | 331 l     | Climate class                       | SN, N, ST, T     |
| Sum of the volumes of the frozen compartment(s)                                  | 97 l      | EI                                  | 80 %             |
| Sum of the volumes of the chill compartment(s) and the unfrozen compartment(s)   | 234 l     |                                     |                  |

## Electrical Connection

|                              |           |                           |              |
|------------------------------|-----------|---------------------------|--------------|
| Electrical connection rating | 127 W     | Frequency (Hz)            | 50/60 Hz     |
| Current                      | 0.8 A     | Power supply cable length | 180 cm       |
| Voltage (V)                  | 220-240 V | Plug                      | (F;E) Schuko |

## Logistic Information

|  |         |                                      |         |
|--|---------|--------------------------------------|---------|
| Width                                    | 601 mm  | Product depth with handle            | 768 mm  |
| Depth without handle                     | 728 mm  | Product depth with doors open at 90° | 1197 mm |
| Height                                   | 1968 mm | Spacer depth                         | 20 mm   |
| Product width with maximum doors opening | 926 mm  |                                      |         |

## Symbols glossary

|  |   |
|--|---|
|  <p>4 stars freezing compartment for better food preservation.</p>   |  <p>A+++: Appliances with this symbol can reduce energy consumption by a further 30% from the standard A energy rating.</p>                        |
|  <p>The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.</p>                          |  <p>LED display: to show programmes, functions and options selected and the time to the end of the cycle.</p>                                      |
|  <p>Economical mode: Analyzes fridge functioning during the activation and optimizes the operating cycle in order to reduce power consumption.</p>               |  <p>Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.</p> |
|  <p>Fast freezing: The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.</p>                      |  <p>Power saving mode: The power saving mode allows you to disable the refrigerator and keep the freezer working.</p>                              |
|  <p>LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.</p>                                    |  <p>Life Plus 0°C: The temperature in the Lifeplus compartments is kept at 0°C, which preserves fresh meat and fish longer.</p>                    |
|  <p>Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption.</p> |  <p>Multiflow Cooling System: the Multiflow ventilation system allows an even distribution of cool air around the fridge cabinet.</p>              |
|  <p>Energy efficiency class D</p>  |   |
