|                          |                                        |
|--------------------------|----------------------------------------|
| Product Family           | Refrigerator                           |
| Installation             | Free standing                          |
| Category                 | Bottom Mount                           |
| Reference width          | 60 - 70 cm                             |
| Reference height         | Higher than 200 cm                     |
| Sistema Total No - Frost | Total                                  |
| Cooling type             | Total No Frost - Double Cooling system |
| Defrost                  | Automatic                              |
| Hinge type               | Standard                               |
| Hinge position           | Right                                  |
| EAN code                 | 8017709297893                          |

## Aesthetics

|               |              |                              |                       |
|---------------|--------------|------------------------------|-----------------------|
| Aesthetic     | 50's Style   | Side material                | Steel                 |
| Colour        | Pastel blue  | Side colour                  | Pastel blue           |
| Design        | Rounded      | Logo                         | Applied               |
| Finishing     | Glossy       | Door shelves profile color   | Silver                |
| Material      | Heat-moulded | Drawers profile color        | Silver                |
| Handle        | External     | Color of glass shelf profile | Silver                |
| Handle type   | Fixed        | Display                      | LED                   |
| Handle colour | Chrome       | Display position             | Interno (cella frigo) |
| Logo colour   | Chrome       |                              |                       |

## Refrigerator compartment features

|                                        |                                                              |                                         |       |
|----------------------------------------|--------------------------------------------------------------|-----------------------------------------|-------|
| Number of compartments                 | 2                                                            | Crisper Cover                           | Yes   |
| Compartment types                      | Low temperature compartment, Fruit and vegetable compartment | Type of crisper/vegetable drawers cover | Glass |
| No. of adjustable shelves              | 3                                                            | No. of lights refrigerator compartment  | 2     |
| Number of fruit and vegetables drawers | 1                                                            | Low temperature compartment             | Yes   |
| Shelves material                       | Glass                                                        | Internal light in fridge                | Yes   |
|                                        |                                                              | Type of internal light (fridge)         | LED   |

Type of crisper/vegetable drawers cover      On sliding rails

## Refrigerator Inner Door

Number of adjustable door shelves      3      No. of bottle shelves      1

## Other Refrigerator features

Humidity Control      Yes, manual      Fan      Yes  
MultiFlow      Yes

## Freezer compartment features

Number of drawers      2      No. of compartments with flap      1  
No. of shelves      2      Type of shelves      Glass

## Other Freezer features

Ice maker      Manual      Fast freezing compartment      Yes

## Other technical features

|                             |                                       |
|-----------------------------|---------------------------------------|
| Functions display           | Fast freezing, ECO, Temperature alarm |
| Fast freezing button        | Yes                                   |
| Temperature alarm lamp      | Yes                                   |
| Door open alarm             | Acoustic and visual                   |
| Temperature Alarm           | Yes                                   |
| Type of temperature control | Electronic                            |
| No. of compressors          | 1                                     |
| Refrigerant gas type        | R600a                                 |
| Type of compressor          | Inverter                              |
| Refrigerant Quantity (g)    | 45 g                                  |
| Foam agent                  | Cyclopentane                          |

## Performance / Energy Label - Reg. 2019

|                                                                                |           |                                     |                  |
|--------------------------------------------------------------------------------|-----------|-------------------------------------|------------------|
| Annual energy consumption                                                      | 282 kWh/a | Airborne acoustical noise emissions | 41 dB(A) re 1 pW |
| Energy efficiency class                                                        | E         | Temperature Rise Time               | 14 h             |
| Airborne acoustical noise emission class                                       | C         | 4 star - Freezing capacity          | 8 kg/24h         |
| Total net volume                                                               | 481 l     | Climate class                       | SN, N, ST, T     |
| Sum of the volumes of the frozen compartment(s)                                | 137 l     | EI                                  | 98 %             |
| Sum of the volumes of the chill compartment(s) and the unfrozen compartment(s) | 344 l     |                                     |                  |

## Electrical Connection

|                              |           |                           |              |
|------------------------------|-----------|---------------------------|--------------|
| Electrical connection rating | 127 W     | Frequency (Hz)            | 50/60 Hz     |
| Current                      | 1,1 A     | Power supply cable length | 180 cm       |
| Voltage (V)                  | 220-240 V | Plug                      | (F;E) Schuko |

## Logistic Information

|                                          |         |                                      |         |
|------------------------------------------|---------|--------------------------------------|---------|
| Width                                    | 706 mm  | Product depth with handle            | 811 mm  |
| Depth without handle                     | 771 mm  | Product depth with doors open at 90° | 1340 mm |
| Height                                   | 2050 mm | Spacer depth                         | 32 mm   |
| Product width with maximum doors opening | 1070 mm |                                      |         |

|                                                                                    |                                                                                                                                                          |                                                                                   |                                                                                                                                                  |
|------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
|    | 4 stars freezing compartment for better food preservation.                                                                                               |  | A++: Energy efficiency class A++ helps to save up to 20% energy compared to class A. Maximum performance with minimum consumption is guaranteed. |
|    | The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.                          |  | LED display: to show programmes, functions and options selected and the time to the end of the cycle.                                            |
|    | Economical mode: Analyzes fridge functioning during the activation and optimizes the operating cycle in order to reduce power consumption.               |  | Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.       |
|    | Fast freezing: The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.                      |  | LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.                            |
|    | Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption. |  | Multiflow Cooling System: the Multiflow ventilation system allows an even distribution of cool air around the fridge cabinet.                    |
|  | Energy efficiency class E                                                                                                                                |                                                                                   |                                                                                                                                                  |
