

## FC48XNE

|                          |                |
|--------------------------|----------------|
| Product Family           | Refrigerator   |
| Installation             | Free standing  |
| Category                 | Bottom Mount   |
| Reference width          | 60 - 70 cm     |
| Reference height         | 160 - 200 cm   |
| Sistema Total No - Frost | Yes            |
| Cooling type             | Total No Frost |
| Defrost                  | Automatic      |
| Hinge type               | Standard       |
| Hinge position           | Right          |
| Reversible door          | Yes            |
| EAN code                 | 8017709343514  |

## Aesthetics

|               |              |                              |                       |
|---------------|--------------|------------------------------|-----------------------|
| Aesthetic     | Universale   | Logo                         | Silk screen           |
| Colour        | Inox Look    | Door shelves profile color   | Silver                |
| Material      | Steel Effect | Drawers profile color        | Silver                |
| Handle        | Integrated   | Color of glass shelf profile | Silver                |
| Logo colour   | Silver       | Display                      | LCD                   |
| Side material | Steel        | Display position             | Interno (cella frigo) |

## Refrigerator compartment features

|   |  |   |       |
|---|--|---|-------|
| Number of compartments                  | 2  | Crisper Cover                           | Yes   |
| Compartment types                       | Low temperature compartment, Fruit and vegetable compartment | Type of crisper/vegetable drawers cover | Glass |
| No. of adjustable shelves               | 3  | No. of lights refrigerator compartment  | 2     |
| Number of fruit and vegetables drawers  | 1  | Low temperature compartment             | Yes   |
| Type of adjustable shelves              | Glass  | Internal light in fridge                | Yes   |
| Type of crisper/vegetable drawers cover | Standard   | Type of internal light (fridge)         | LED   |

## Refrigerator Inner Door

|                                   |   |                       |   |
|-----------------------------------|---|-----------------------|---|
| Number of adjustable door shelves | 3 | No. of bottle shelves | 1 |
|-----------------------------------|---|-----------------------|---|

## Other Refrigerator features

|                  |             |     |     |
|------------------|-------------|-----|-----|
| Humidity Control | Yes, manual | Fan | Yes |
| Accessories      | Egg tray    |     |     |

## Freezer compartment features

|                               |   |                 |       |
|-------------------------------|---|-----------------|-------|
| Number of drawers             | 2 | Type of shelves | Glass |
| No. of compartments with flap | 1 |                 |       |

## Other Freezer features

|             |                  |                           |     |
|-------------|------------------|---------------------------|-----|
| Accessories | manual ice-maker | Fast freezing compartment | Yes |
| Ice maker   | Manual           |                           |     |

## Other technical features

|                             |                    |
|-----------------------------|--------------------|
| Functions display           | Fast freezing, ECO |
| Fast freezing button        | Yes                |
| Door open alarm             | Acoustic           |
| Type of temperature control | Electronic         |
| No. of compressors          | 1                  |
| Refrigerant gas type        | R600a              |
| Type of compressor          | Inverter           |
| Foam agent                  | Cyclopentane       |

## Performance / Energy Label - Reg. 2019

|  |           |  |                  |
|--|-----------|--|------------------|
| Annual energy consumption                | 287 kWh/a | Sum of the volumes of the chill compartment(s) and the unfrozen compartment(s) | 344 l            |
| Energy efficiency class                  | E         |  |                  |
| Airborne acoustical noise emission class | C         | Airborne acoustical noise emissions  | 41 dB(A) re 1 pW |
| Total net volume                         | 481 l     |  |                  |

**Sum of the volumes of the frozen compartment(s)** 137 l

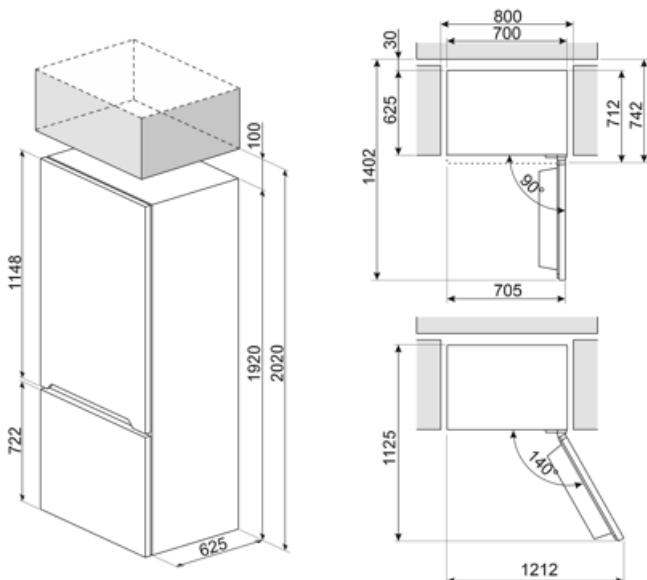

**Temperature Rise Time** 14 h  
**Climate class** SN, N, ST, T  
**EEI** 100 %

## Electrical Connection

|                                     |           |                                  |              |
|-------------------------------------|-----------|----------------------------------|--------------|
| <b>Electrical connection rating</b> | 185 W     | <b>Frequency (Hz)</b>            | 50 Hz        |
| <b>Current</b>                      | 1,27 A    | <b>Power supply cable length</b> | 210 cm       |
| <b>Voltage (V)</b>                  | 220-240 V | <b>Plug</b>                      | (F;E) Schuko |

## Logistic Information

|                             |        |   |         |
|-----------------------------|--------|---|---------|
| <b>Width</b>                | 700 mm | <b>Height</b>                               | 1920 mm |
| <b>Depth without handle</b> | 712 mm | <b>Product depth with doors open at 90°</b> | 1390 mm |

## Symbols glossary

---

|   |  |   |  |
|---|--|---|--|
|  A small icon of a snowflake with a defrosting arrow inside a square frame.                             | The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.                          |  A small icon of a television screen with the letters "LCD" above it and "DISPLAY" below it.   | LCD display: to optimize performance and simplify the use of the appliance.  |
|  A small icon of a snowflake with a gear and a downward arrow inside a square frame.                    | Economical mode: Analyzes fridge functioning during the activation and optimizes the operating cycle in order to reduce power consumption.               |  A small icon of a snowflake with a circular arrow inside a square frame.  | Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge. |
|  A small icon of a snowflake with a downward arrow inside a square frame.                               | Fast freezing: The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.                      |  A small icon of a light bulb with the letters "LED" above it.   | LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.                      |
|  A small icon of a circle with a double-headed arrow inside, with the word "INVERTER" written below it. | Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption. |  A small icon of a yellow arrow pointing left with the letter "E" inside, and the letters "A" and "G" above and below it respectively. | Energy efficiency class E  |
