

# FMIA325X

|                          |                      |
|--------------------------|----------------------|
| <b>Product Family</b>    | Microwave            |
| <b>Category</b>          | Built-in             |
| <b>Installation type</b> | Built-in             |
| <b>Installation</b>      | Fully Built-in       |
| <b>Power supply</b>      | Electric             |
| <b>Cooking Method</b>    | Microwave with grill |
| <b>Control</b>           | Electromechanical    |

## Aesthetics

|                  |                 |                          |            |
|------------------|-----------------|--------------------------|------------|
| <b>Aesthetic</b> | Classic         | <b>Type of steel</b>     | Brushed    |
| <b>Colour</b>    | Stainless steel | <b>Glass Type</b>        | Eclipse    |
| <b>Finishing</b> | Fingerproof     | <b>Serigraphy colour</b> | White      |
| <b>Frame</b>     | Yes             | <b>Door</b>              | Full glass |
| <b>Material</b>  | Stainless steel | <b>Logo</b>              | Embossed   |

## Program / Functions

|                         |     |                             |     |
|-------------------------|-----|-----------------------------|-----|
| <b>No. of functions</b> | 6   | <b>Defrost by weight</b>    | Yes |
| <b>Full grill</b>       | Yes | <b>Microwave</b>            | Yes |
| <b>Pizza</b>            | Yes | <b>Microwave + grill</b>    | Yes |
| <b>Defrost by time</b>  | Yes | <b>Automatic programmes</b> | 8   |

## Controls

|                                |               |                |                   |
|--------------------------------|---------------|----------------|-------------------|
| <b>Display / Clock</b>         | 1 a LED       | <b>Opening</b> | Electrical button |
| <b>Type of control setting</b> | Touch control |                |                   |

## Options

|              |            |
|--------------|------------|
| <b>Timer</b> | Electronic |
|--------------|------------|

|                               |             |                              |     |
|-------------------------------|-------------|------------------------------|-----|
| Time-setting options          | End cooking | Controls Lock / Child Safety | Yes |
| End of cooking acoustic alarm | Yes         | Quick start option           | Yes |

## Technical Features

|                           |                 |  |                |
|---------------------------|-----------------|--|----------------|
| Cavity material           | Stainless steel | Grill - power                          | 1000 W         |
| No. of shelves/ levels    | 2               | Door opening                           | Side-opening   |
| Shelves type              | Rack            | Total no. of door glasses              | 1              |
| No. of lights             | 1               | Safety Thermostat                      | Yes            |
| Light type                | Led             | Cooling system                         | Tangential     |
| Turntable                 | Yes             | Microwave screen protection            | Yes            |
| Turntable dimensions      | 31.5 cm         | Microwave stops when door is opened    | Yes            |
| Light when door is opened | Yes             | Usable cavity space dimensions (HxWxD) | 206x368x328 mm |
| Grill type                | Quartz          | Microwave effective power              | 900 W          |

## Accessories Included

|      |   |       |     |
|------|---|-------|-----|
| Grid | 1 | Frame | Yes |
|------|---|-------|-----|

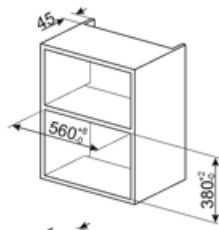

## Performance / Energy Label

|               |      |              |      |
|---------------|------|--------------|------|
| Usable volume | 25 l | Gross volume | 26 l |
|---------------|------|--------------|------|

## Electrical Connection

|               |               |                           |        |
|---------------|---------------|---------------------------|--------|
| Plug          | (I) Australia | Voltage (V)               | 230 V  |
| Nominal power | 1450 W        | Frequency (Hz)            | 50 Hz  |
| Current       | 6.3 A         | Power supply cable length | 150 cm |

## Symbols glossary

-  Child lock: some models are fitted with a device to lock the programme/cycle so it cannot be accidentally changed.
-  Defrost by time: with this function the time of thawing of foods are determined automatically.
-  Fingerprint proof stainless steel: Fingerprint proof stainless steel keeps stainless steel looking as good as new.
-  Microwave + grill element: The use of the grill results in a perfect browning of the surface of the food. The action of microwaves allows instead of cooking in a short time the internal part of the food.
-  Microwave: Penetrating straight into the food, microwaves cook very quickly and with considerable energy savings. Suitable for cooking without fat, they are also able to thaw and heat food without altering its original appearance and aroma. The microwave function can also be combined with conventional functions with all the resulting advantages. Ideal for all types of food.
-  The oven cavity has 2 different cooking levels.
-  The capacity indicates the amount of usable space in the oven cavity in litres.
-  Microwave energy shortens cooking times dramatically and produces energy savings.
-  Defrost by weight: With this function the defrosting time is determined
-  Grill element: Using of grill gives excellent results when cooking meat of medium and small portions, especially when combined with a rotisserie (where possible). Also ideal for cooking sausages and bacon.
-  Pizza microwave: This function cooks pizza quicker thanks to the microwaves. To optimize the final result, use the function combined with the Chef plate
-  Side lights: Two opposing side lights increase visibility inside the oven.
-  Touch controls: Easy to use touch controls allow the appliance to be programmed at the touch of a button.
