

GW4260-00-000

Product Family	Glassware washers
Type	Glassware washer 60cm
Intrastat	84222000
EAN code	8017709324438

Aesthetics

Front panel	Grey	Logo position	On the control panel
Control Panel	Soft Touch	Logo	SMEG

Programs

Standard programs stores	20
Modifiable programs	20
Program editing	Yes

Technical Features

Undercounter installation	Yes	Fun power (W)	60 W
Drying system temperature	From 40 to 115 °C	Power of the drying element (W)	800 W
Washing levels	till 2	HEPA Filter	Optional
Door	1, swing door in stainless steel; Glass as optional	HEPA Filter Class	H14
Drying System	Yes	Degree of separation of HEPA filter	99.995 %
RS232 serial port	Optional	Hepa filter life	500 h
Balanced door	Yes	Noise level (dba)	< 50 dbA
Safety Door Lock	Yes, with electromagnetic release and automatic opening	Heat Emission in the atmosphere (W)	900 W
Emergency opening system	Yes		

Construction

Washer Chamber Material	AISI 316L	Chamber with rails	Yes
External material of the machine	AISI 304	Tank volume (Gross volume)	168 l

Equipments

Water softner	Yes	Sky sprinkler	Optional
Peristaltic pump for dosing the liquid neutraliser	Yes	Acqua Stop	Optional
Chemicals dosing	Optional	Probe passage for validation	Optional
Detergent level sensor	Optional	Water supply pipe	3 / 4 "
Powder detergent entrance	Yes	Drain supply pipe diameter	1/2"
Possibility to install additional peristaltic pump	Yes, up to 1
