

# KBTU48X

Product family	Hood
Hood Type	Decorative wall hood
Design	T flat
Extraction	Extraction
Electronic control	Yes
Material	Stainless steel
Type of steel	Brushed
EAN code	8017709351540
Hood width	48 "
Aesthetic	Universale
Colour	Stainless steel
Logo	Embossed

## Controls

Control setting	Touch control back-lighted White
-----------------	-------------------------------------

## Program / Functions

No. of speeds	3
Intensive speed	
24h air filter function	
Time-setting options	

## Technical Features

No. of lights	2	No. of filters	4
Light type	LED	Anti-grease filters	Aluminium
Light Power	1.3 W	Filter replacement indicator	Yes
Dimmer mode	Yes	Vent outlet	5 7/8 "
Light color temperature scale (°K)	3000 °K	Minimum distance from GAS hob	750 "
Free outlet maximum capacity	553.5 CFM	Minimum distance from ELECTRIC hob	650 "
Motor power	230 W	Non return valve	Yes

	□	□
Intensive speed	419.5	72

## Accessories Included

Tube reduction            Yes

## Electrical Connection

Voltage                    110-127 V                    Power supply cable            1500 "  
 Frequency (Hz)            60 Hz                    length

## Also available

Alternative colours available            Matt white, Matt Black

---

## Compatible Accessories

---

FLT6U

KITCEKBT

Chimney extension, dimensions 261,5 \* 260 \* 830 mm suitable for T-shape hood KBT\* & KBCT\*, max height 1380 mm Stainless Steel

|----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------|
|  | 24h: When selected this function refreshes the air for c. 10 minutes every hour over a 24 hour period, at minimum speed and an imperceptible noise level. |  | Filters: Model has filters to help remove grease from the steam emanating from the pans during cooking.       |
|  | Switch off automatically: A special setting, to run after the end of cooking for a pre-set time and then switch off automatically.                        |  | Dimmering Lights                                                                                              |
|  | Warning light(s): to advise when filters need changing.                                                                                                   |  | Lights: All cooker hoods feature lights to illuminate the cooking area or add to the ambience of the kitchen. |
|  | Intensive/turbo setting: when extra fast extraction is required.                                                                                          |                                                                                   |                                                                                                               |
