### Symbols glossary

Filters: Model has filters to help remove grease from the steam emanating from the pans during cooking.

Warning light(s): to advise when filters need changing.

Intensive/turbo setting: when extra fast extraction is required.

Switch off automatically: A special setting, to run after the end of cooking for a pre-set time and then switch off automatically.

Lights: All cooker hoods feature lights to illuminate the cooking area or add to the ambience of the kitchen.
