

# **KV194G**

Product family Hood

Hood Type Chimney Cooker Hoods

**Design** Angled

**Extraction** Ducted out or re-circulation possible

Electronic control Yes
Perimeter extraction Yes
Material Glass

EAN code 8017709327897

Hood width 90 cm Aesthetics Linea

Colour Neptune Grey

Finishing Glass
Glass Type Black
Serigraphy colour Grey
Logo Silk screen

### **Controls**

Control setting Touch control back-lighted Led colour White

White

## **Program / Functions**

No. of speeds

Intensive speed

Time-setting options

Auto-Vent 2.0

275 W

### **Technical Features**

24h air filter function

Motor power

Chimney Extension in Stainless Steel for hood KV\*series

### **KITCMNKVMB**

Chimney Extension in Stainless Steel for hood KV\*series 300 mm\*200 mm + 500/850 mm

#### KITFCKV1

Kit 2 pcs Charcoal Filter for Hood KV1\*series

## Symbols glossary

24h: When selected this function refreshes the air for c. 10 minutes every hour over a 24 hour period, at minimum speed and an imperceptible noise level.

Filters: Model has filters to help remove grease from the steam emanating from the pans during cooking.

A+: Energy efficiency class A+ helps to save up to 10% energy compared to class A. Maximum performance with minimum consumption is guaranteed.

Switch off automatically: A special setting, to run after the end of cooking for a pre-set time and then switch off automatically.

Charcoal filters: Extracting through charcoal filters or directly to the exterior lessens strong cooking odours considerably.

Warning light(s): to advise when filters need changing.

Lights: All cooker hoods feature lights to illuminate the cooking area or add to the ambience of the kitchen.

Perimeter extraction panels: very efficient and aid noise reduction.

Intensive/turbo setting: when extra fast extraction is required.
