Symbols glossary

Cupboard width required for sink installation

Sink depth - depending on the model, the depth can be from 13 to 24,5

Ultra-low profile: Installation of product with flat edge - height of 1 mm.

Benefit

Two bowls

Designed for versatility, the two-bowl configuration offers enhanced functionality, making kitchen tasks more efficient.

Drainer

The drainer provides a convenient space for dishes, cutlery, and kitchen utensils to dry naturally by allowing excess water to flow directly into the sink.

Tap hole

The sink offers the option of pre-cut tap holes, allowing for direct tap installation and creating a more spacious, streamlined surface.
