Benefit (TT)

Two bowls

Two bowls for greater versatility and dual functionality

Drainer

The drawer allows dishes, cutlery and kitchen utensils to be placed directly on the sink after washing: excess water can drain into the sink, allowing for natural drying

Double tap hole

The sink is easily reversible, making it possible to create any type of kitchen composition

Pop-up command

The pop-up command allows the sink drain to be opened and closed remotely with a simple gesture and without the need to touch the plug directly, increasing convenience and hygiene in the kitchen

Tap hole

Possibility of having the tap hole for direct installation of the tap on the sink, for a larger and neater surface area
