Benefit (TT)

Lever coffee machine

The La Pavoni lever machine turns every coffee into an authentic barista experience, delivering perfect extractions and a rich, velvety crema enhanced.

Manual brewing

Manual brewing for a coffee with an intense and full-bodied flavor.

Boiler manometer

Boiler pressure manometer ensures quality and consistency in every espresso extraction.

Fascino filter holder

Bottomless portafilter for enhanced consistency, richer crema, and improved espresso flavor.

Drip tray

Removable drip tray for easy and effortless cleaning.

BPPC manometer

Pressure manometer on the brewing group to monitor and adjust the water pressure during extraction.

Wood handles

Carefully hand-made using high-quality materials and wooden handles, delivering an elegant, timeless design.

Tamper inox

Stainless steel coffee tamper, ideal for pressing coffee to the perfect level

Temperature indicator LCD

The LCD strip on the brewing unit indicates the group head temperature, helping to prevent overheating.
