Symbols glossary

Cupboard width required for sink installation

Sink depth - depending on the model, the depth can be from 13 to 24,5

Flat: Installation of product with flat edge.

Flush-fitted installation: Models of sinks/hobs which are integrated flush with the tabletop of a kitchen unit.

Benefit (TT)

Two bowls

Two bowls for greater versatility and dual functionality

Pop-up command

The pop-up command allows the sink drain to be opened and closed remotely with a simple gesture and without the need to touch the plug directly, increasing convenience and hygiene in the kitchen

Tap hole

Possibility of having the tap hole for direct installation of the tap on the sink, for a larger and neater surface area
