Symbols glossary

Cupboard width required for sink installation

Sink depth - depending on the model, the depth can be from 13 to 24,5

Standard installation: Traditional installation in tabletop, suitable for any kitchen sets

Benefit (TT)

Two bowls

Two bowls for greater versatility and dual functionality

Pop-up command

The pop-up command allows the sink drain to be opened and closed remotely with a simple gesture and without the need to touch the plug directly, increasing convenience and hygiene in the kitchen

Colander

Colander included for improved convenience in the kitchen and draining directly into the sink
