Symbols glossary

To improve the drying of dishes without leaving stains.

Energy efficiency class C

Delay Timer: Option to postpone the start of the desired programme by up to 24 hours in order to programme the dishwasher to run at the desired time.

EasyGlide: Convenient EasyGlide system for easy unloading of the appliance that allows reaching maximum flexibility of load of the machine.

Noise Level: Excellent insulation and special devices keep noise to a minimum.

Orbital wash system distributes water evenly throughout the 60cm dishwasher cavity, directing water with precision to ensure an excellent wash.

Crystals: The Crystals programme is dedicated to delicate dishes such as glasses and china.

Eco: Eco, this economic wash programme uses a low amount of water and energy in order to provide the most environmentally friendly cleaning option.

Mix: The Mix programme is suitable for mixed crockery and everyday pots and pans, without any particular incrustation.

13 place settings: Number of place settings.

Total Acquastop: In addition to the partial Acquastop protection present in all Smeg dishwashers, some models have an electronic device fitted to the water intake hose, which monitors water levels in the machine, detects leaks in the hose and switches off the water supply immediately when necessary.

System WaterSave ensures the best washing results with minimal water consumption depending on the model of dishwasher.

EXTRA DRY This option adds a hot rinse cycle that ensures improved drying.

Quick wash cycle for normally soiled mixed loads such as dishes and pans, even with dried-on residues. Dishes are washed and dried in 60 minutes.

HYGIENE 99.9% High-temperature washing programme. The 75° rinse guarantees the removal of 99.9% of germs and bacteria.

The work aimed at continuous improvement has allowed the creation of the second generation of the Inverter motor 2.0, characterised by greater efficiency and durability over time, which allows very high performance and a lower energy consumption and noise level.
