Symbols glossary

- | | | | |
|--|--|---|---|
|  | Cupboard width required for sink installation |  | Sink depth - depending on the model, the depth can be from 13 to 24,5 |
|  | Standard installation: Traditional installation in tabletop, suitable for any kitchen sets |  | Thanks to the double tap hole, most of our sinks are easily reversible, giving you the flexibility to make any type of kitchen composition. |

Benefit (TT)

Two bowls

Two bowls for greater versatility and dual functionality

Drainer

The drawer allows dishes, cutlery and kitchen utensils to be placed directly on the sink after washing: excess water can drain into the sink, allowing for natural drying
