Symbols glossary

Sink depth - depending on the model, the depth can be from 13 to 24,5

Sink depth - depending on the model, the depth can be from 13 to 24,5

Standard installation: Traditional installation in tabletop, suitable for any kitchen sets

Benefit

Two bowls

Two bowls for greater versatility and dual functionality

Drainer

The drawer allows dishes, cutlery and kitchen utensils to be placed directly on the sink after washing: excess water can drain into the sink, allowing for natural drying

Tap hole possibility

Possibility of having the tap hole for direct installation of the tap on the sink, for a larger and neater surface area

Double tap hole

The sink is easily reversible, making it possible to create any type of kitchen composition
