Symbols glossary

Swivel spout rotation 360°

Benefit

The 360° spout rotation offers ultimate flexibility, allowing you to direct the water flow precisely where you need it, making cleaning and rinsing easier and more efficient.

Filtered water

Pure and safe water directly from your kitchen tap for lower environmental impact

The water filtration system has a filtration degree of 0.5 microns and reduces dirt, rust and other particulate matter, reduces chlorine taste and odour, reduces mould, algae and parasitic protozoa, reduces lead and inhibits limescale accumulation in the water
