MFF marketing description HoC

MFF HoC Marketing Description

Your breakfast at home with a velvety cappuccino, a snack with a dense hot chocolate, an espresso macchiato skilfully made after dinner. The MF11 milk frother makes every milk preparation easy and professional, resulting in a perfect froth for both hot and cold milk - just like having a café in the comfort of your own home. The induction system makes it possible to heat milk to the ideal temperature, with or without froth. Its carafe has a maximum capacity of 600 ml for heating and 250 ml for whipping and can be easily removed and cleaned in the dishwasher.
