Induction heating system

Induction system for even heating and optimal milk assembly at all times.

Easy Cleaning

Dishwasher-safe stainless steel carafe, Ideal for preparing hot and cold drinks.

MFF marketing description HoC

MFF HoC Marketing Description

Your breakfast at home with a velvety cappuccino, an afternoon snack with a dense hot chocolate, an artfully made espresso after dinner. The MF11 milk frother makes it easy and professional to prepare milk and provides a perfect foam to enhance both hot and cold milk: like having a coffee shop at home. The induction system allows you to heat the milk to the ideal temperature and prepare hot and cold drinks, with or without foam. Its carafe has a maximum capacity of 600 ml for heating and 250 ml for frothing and can be easily removed and washed in the dishwasher.
