Symbols glossary

ESC: with the ESC Energy Saving Cartridge system the control lever positioned in the middle dispenses only cold water, and not 50% of hot and 50% of c

WSC: with the WSC Water Saving Cartridge the control lever stops halfway, causing 50% of the water (sufficient for normal cooking activities) to be di

Swivel spout rotation 180°

Double jet handshower. It is possible to simply switch between a standard stream mode and a spray mode.

The extractable handshower allows to increase the range of action of the tap and it is extremely versatile, practical and comfortable.
