|--|--|---|--|
|  | Surfaceplus ceramic base: Surfaceplus ceramic base for a microwave oven - no turntable required, and the whole surface can be used for cooking.  |  | Child lock: some models are fitted with a device to lock the programme/cycle so it cannot be accidentally changed. |
|  | Microwave energy shortens cooking times dramatically and produces energy savings.  |  | Double glazed doors: Number of glazed doors.   |
|  | Microwave: Penetrating straight into the food, microwaves cook very quickly and with considerable energy savings. Suitable for cooking without fat, they are also able to thaw and heat food without altering its original appearance and aroma. The microwave function can also be combined with conventional functions with all the resulting advantages. Ideal for all types of food. |  | The capacity indicates the amount of usable space in the oven cavity in litres.                                    |
