| No. of lights | 2 | Turntable dimensions | 13 9/16 " |
| Lighting | Halogen | Microwave effective power | 1000 W |
| Turntable | Yes | | |

Electrical Connection

| | | | |
|---------|-------|-----------|-------|
| Current | 15 A | Frequency | 60 Hz |
| Voltage | 120 V | | |

Symbols glossary

Child lock: some models are fitted with a device to lock the programme/cycle so it cannot be accidentally changed.

Microwave energy shortens cooking times dramatically and produces energy savings.

Touch controls: Easy to use touch controls allow the appliance to be programmed at the touch of a button.
