Options

Standard cut out

488x592 mm

Technical Features

Left - Gas - UR

Front-centre - Gas - AUX

Rear-centre - Gas - AUX

Right - Gas - Rapid

Gas safety valves Yes

Automatic Ignition

Yes

Accessories Included

Cast iron wok support 1

Electrical Connection

Power supply cable length 120 cm

Gas Connection

Gas Type G20 Natural gas
Gas connection Cilindrical
Other gas nozzles included G30 GPL Liquid gas

Other gas connections provided Conical
Gas connection rating (W) 9666,67 W

Compatible Accessories

6MP1PGF

6 Linea knobs for PGF hobs

Symbols glossary

Ultra-low profile: Installation of product with flat edge - height of 1 mm.

Heavy duty cast iron pan stands: for maximum stability and strength.

Ultra rapid burners: Powerful ultra rapid burners offer up to 5kw of power.

Knobs control

Benefit (TT)

Gas hobs

Consistent heat source control and easy, immediate temperature adjustment

Equipped with a thermocouple, the gas supply is cut off if the flame is extinguished for greater safety.

Inox

Maximum resistance even at high temperatures: the stainless steel surface ensures durability and deformation resistance, withstanding thermal shocks without damage

Cast iron

Solid and sturdy, easy to clean and maintain every day, thanks to the cast-iron pan supports—an emblem of long-lasting efficiency and durability.

Accurate power adjustment via knobs, for more precise cooking level control

Control knob position frontal

Instant and intuitive control thanks to front controls, easily accessible for practical use.

4 burners for every need: cook with precision and versatility thanks to different power levels, ideal for any pot and for managing multiple dishes simultaneously.

Gas safety valves

Automatic protection against gas leaks: the thermocouple stops gas flow in the absence of flame, ensuring a safe environment even during unexpected shutdowns.
