**PIC01WHMUK**

**Colour: White**

## Benefit

---

### **Probe temperature**

Experience high-level performance, thanks to temperature control via an external probe and dedicated programs such as Target and Timer.

### **Preset programs**

Unlock creativity with Barbecue programs tailored for vegetables, fish, and meat, and Fry programs designed for fresh food, frozen items, and desserts. Plus, enjoy the convenient Keep Warm function to have your preparations ready whenever you are

### **Power level**

Utilise nine power levels and the Boost function to cook a wide range of preparations, from delicate dishes to more robust recipes

### **Accessories included PIC**

Includes temperature probe, a clip for securely attaching it to pots and pans, and a convenient storage case for accessories.

### **Touch display**

Touch control display for easy selection of different functions
