

PTV64ES

Product Family	Hob
Built-in	Traditional
Dimensions	60 cm
Power supply	Gas
Type	Gas
EAN code	8017709179182

Aesthetics

Aesthetics	Renzo Piano
Colour	Silver
Finishing	Glass
Material	Glass
Glass Type	Mirror Glass
Glass edge	Angled edge
Glass on Steel	Yes
Pan stands	Stainless steel
Pan Stand Coating	EverShine
Burners	Piano Design
Burner Material	Stainless steel
Burner Coating	EverShine
Type of control setting	Control knobs
Control knobs position	Front
No. of controls	4
Controls colour	Steel effect
Serigraphy colour	Grey

Program / Functions

No. of gas cook zones	4
Total no. of cook zones	4

Technical Features

Front left - Gas - Semi Rapid - 1.65 kW

Rear left - Gas - Rapid - 2.30 kW

Rear right - Gas - Rapid - 3.00 kW

Front right - Gas - AUX - 1.05 kW

Gas safety valves	Yes	Automatic Ignition	Yes
--------------------------	-----	---------------------------	-----

Electrical Connection

Nominal power (W)	1 W	Frequency (Hz)	50/60 Hz
Voltage (V)	220-240 V	Power supply cable length	120 cm
Type of electric cable	Single phase		

Gas Connection

Gas Type	G20 Natural gas	Other gas connections provided	Conical
Gas connection	Cilindrical	Gas connection rating (W)	8000 W
Other gas nozzles included	G30 GPL Liquid gas		

Compatible Accessories

GP64ES

St. Steel pan stands and burner caps

Symbols glossary

Standard installation: Traditional installation in tabletop, suitable for any kitchen sets

Ever Shine: is an invisible coating that makes the effected area highly resistant to heat.

Reinforced base: A reinforced base, developed exclusively by Smeg, consists of a steel layer fixed to the underside of the glass surface of all gas on glass hobs.

Knobs control

Benefit

Gas hobs

Consistent heat source control and easy, immediate temperature adjustment

Equipped with a thermocouple, the gas supply is cut off if the flame is extinguished for greater safety.

Glass

Brightness and elegance in the kitchen: the acid-etched glass gives the surface a refined, modern look that enhances the space.

Stainless steel

Strong and easy to maintain every day: doesn't break if dropped, resists rust, easy to clean with detergents, and doesn't absorb liquids or odors.

Piano design

Stability and space for all types of pots: geometric burners offer large, stable surfaces, adaptable to any shape and size without sacrificing comfort.

Accurate power adjustment via control knobs, for more precise cooking control

Control knob position frontal

Instant and intuitive control thanks to front controls, easily accessible for practical use.

4 burners for every need: cook with precision and versatility thanks to different power levels, ideal for any pot and for managing multiple dishes simultaneously.

Gas safety valves

Automatic protection against gas leaks: the thermocouple stops gas flow in the absence of flame, ensuring a safe environment even during unexpected shutdowns.

Glass on steel

Safety even in case of breakage: a stainless steel sheet beneath the glass prevents fragmentation, allowing continued use until replacement.
